

SCAPE SHOREDITCH

Great accommodation in London's most colourful and creative neighbourhood

This premium residence is centrally located in London Zone 1, only 14 minutes by bus or 30 minutes walk to Malvern House.

Shoreditch is London's creative playground. The street from Great Eastern Street to Brick Lane have formed a blank canvas for street artists. Old warehouses have been rejuvenated and turned into exhibitions and performance spaces. There are a wealth of independent art galleries to also take some inspiration from.

Shoreditch is famed for its mix of pop-up shops in vacant petrol stations, fashionable shops, speakeasy bars, restaurants serving any kind of food you can think of and late-night clubs. Scape Shoreditch is only a very short walk away from all the action, with two of London's biggest venues XOYO and Cargo right around the corner and the labyrinthine Old Truman Brewery is a short walk away.

Scape Shoreditch offers students accommodation in stylish en-suite single studios. Usually, students take a self-catering option and cook for themselves in the in-room kitchenette. All rooms have a double bed & HDTV.

Facilities in the residence include; a gym, large common areas, study spaces, a roof terrace, a cinema room and laundry. There are cafes, bars, shops, restaurants & entertainment spaces close by.
