FOUNDATIONS IN ACCOUNTANCY (FIA) / CERTIFIED ACCOUNTING TECHNICIAN (CAT) SUITE OF QUALIFICATIONS

The Foundations in Accountancy (FIA) consists of foundation-level qualifications designed for aspiring accountants who are starting out in areas of accounting and finance or those who are already in the industry but lack the qualifications to advance their career.

- **A Suite of Qualifications**
- **Accelerated Progression**
- **Flexible**
- **Locally and Globally Recognised**

FIA / CAT ENTRY REQUIREMENTS

Entry Points for FIA

FIA offers various entry and exit points that cater to students with different backgrounds and career goals. It is important that you pick the right qualification to maximise your chances of success. Making an appropriate choice of entry improves pass rates, avoids unnecessary cost and time spent to repeat the papers and instils confidence to take on further advanced papers.

Entry Requirements

In order to qualify for any of the qualifications under FIA, local and international students must be at least 16 years old and fulfill the English language proficiency requirement.

Intake

Malvern International is offering a well-paced tuition programme for the 4 intakes every year in January, March, July, and September.

Duration

Introductory and Intermediate Certificates can be completed at a minimum duration of 3 months. Diploma and Foundation Certificates require at least 6 months for completion.

FIA / CAT PROGRAMME STRUCTURE

In 2011, the original Certificate Accounting Technician (CAT) programme is revised by ACCA and is redesigned as Foundations in Accountancy (FIA).

The overall structure remains the same as shown below.

Foundations in Accountancy (FIA)	
Introductory Certificate in Financial and Management Accounting	FA1 Recording Financial Transactions MA1 Management Information *Foundations in Professionalism
Intermediate Certificate in Financial and Management Accounting	FA2 Maintaining Financial Records MA2 Managing Costs and Finance *Foundations in Professionalism
Diploma in Accounting and Business	FAB Accountant in Business FFA Financial Accounting FMA Management Accounting *Foundations in Professionalism
Certified Accounting Technician (CAT) Foundation Certificates #	(All the 7 exams above, plus 2 out of the following 3 specialist exam.) FAU Foundations in Audit FTX Foundations in Taxation FFM Foundation in Financial Management *Foundations in Professionalism

Exemptions for F1 - F3

* Foundations in Professionalism is an online interactive module that needs to be completed only once via the ACCA website.

Each Options Paper can be taken as a Foundation Certificate. The Foundations in Professionalism module must also be completed.

Examinations

Under the FIA suite of qualifications on Demand Computer-Based Examinations (CBEs) are available for papers at Introductory, Intermediate or Diploma level. CBEs are strongly encouraged because it allows students a greater control in planning their studies. CBEs are available monthly and results are instantly available at the end of the examination.

For Specialist Papers, only paper-based examinations are available. These are held in June and December every year.
